PROJECT MERRIMACK - Special Report

A reliable confidential informant of the reported that Stokely CARMICHAEL's position as a true Soul Brother is in doubt among the rank and file since he is spending a great deal of money and reportedly has a "stable of white chicks." A true Soul Brother would not be acting as Stokely reportedly is. It is also the opinion of some of the rank and file that Stokely is being financially supported by CIA since his source of financial backing is not known.
